Update on CP Ships Integration

Dear Customer,

Since our last Customer News, we have made excellent progress integrating CP Ships' business activities into Hapag-Lloyd.

In this edition of Customer News you will find updates on service transition details.

All our efforts are focused on delivering the best possible service to our customers during and beyond this transition period.

In case you have any questions or require any additional information, your local Hapag-Lloyd contact will be glad to assist. Detailed contact information of the Hapag-Lloyd office taking care of your needs was provided in the previous Customer News.

All relevant transition information is also available on www.hapag-lloyd.com and www.cpships.com.

We appreciate your continued support during the integration process.

Kind regards

Hapag-Lloyd CP Ships

■ Update on CP Ships Integration

Update of Vessel Cut-Over Lists

The process of integrating the CP Ships services into the Hapag-Lloyd network is progressing as planned. The first phase of the integration has successfully started end of May and the first North Atlantic Services have been transferred to the Hapag-Lloyd system.

The Vessel Cut-Over List for Phase One indicating the first voyage of each service to be operated by Hapag-Lloyd has already been provided in previous editions of our Customer News. Below updated version contains minor amendments marked in red.

Phase One: North Atlantic Services
