

New California – Central America Express Service (CCE) Intra – Americas Service Improvement

Hapag-Lloyd has always focused on meeting our customers' requirements. As one of the world's largest container carriers, we ensure that our ships, employees and service are always where customers expect us to be.

Hapag-Lloyd has upgraded the MXC service (starting with NYK Floresta – March 6, 2012 from Los Angeles), extending it to Southern California with direct service to the Pacific Coast of Central America. The revised service will be called the California – Central America Express Service (CCE).

- Weekly service
- Fast and direct service from/to Los Angeles – Central America Pacific Coast
- Direct connection in Manzanillo, Mexico to other weekly Hapag-Lloyd services covering:
 - North America West Coast
 - Colombia West Coast
 - South America West Coast
- Additional access to other Central America, South America East Coast and North America East Coast ports via Manzanillo, Mexico
- Los Angeles offers an extensive intermodal network to USA hinterland points via rail and/or road
- A wide range of specialized equipment available
- Top customer service
- Local expertise with a network of offices throughout North, Central and South America
