

■ **Callao, Peru – Revise THO / THD**

January 4th, 2012

Dear Customer,

We would like to inform you that with effect from **February 3, 2012** Hapag-Lloyd will merge the PIO/PID surcharges (currently charged locally) with its current THO/THD for Callao, Peru. At the same time we will be implementing a THO/THC for those lanes where such a surcharge is not yet in place.

This adjustment will not alter your current operations costs structure.
