

■ **Port Call Changes in Southern Chile – MXP1 Service**
Lirquen replaces San Vicente

April 28, 2010

Dear Customer,

We would like to inform you that with effect from **June 1, 2010** Hapag-Lloyd will replace the current port call at San Vicente by the a port call at Lirquen in its MXP1 service between Mexico / Central America Pacific Coast and South America Pacific Coast.

For easy reference the table below shows the schedule with the last southbound voyage to San Vicente and the first northbound voyage from Port of Lirquen:

Vessel Name	Voyage	Port of Loading	Arrival Date
Wellington Express	1019S	San Vicente	May 30
Conti Salome	1020N	Lirquen	June 6

For further information kindly contact your local Hapag-Lloyd sales representative.

Kind Regards,

Hapag-Lloyd AG
