

Hapag-Lloyd Expands ODeX's Digital Solutions to Canada

Dear Customer,

We are excited to announce a game-changing enhancement to your shipping experience! Hapag-Lloyd has partnered with ODeX, a digital platform designed to simplify and streamline document exchange, communication, and payment processing—now available in Canada.

This expansion aligns with our ongoing commitment to making shipping with Hapag-Lloyd faster, more transparent, and more efficient than ever. Customers in other countries have already experienced the advantages of ODeX, and now you can enjoy:

- Real-time **visibility** of payments and invoices through an intuitive dashboard
- **Speedy** and hassle-free document processing
- **Secure**, 24/7 accessible payment confirmations
- Time-saving tools to **delegate tasks** and documents to logistics partners online
- **Environmentally** friendly and globally **compliant** digital transactions

Best of all, this enhanced efficiency comes at no extra cost to you!

Our partnership with ODeX underscores our dedication to driving digital transformation and making your shipping experience seamless. We encourage you to explore the **ODeX website** and start taking advantage of these benefits today.

For any questions or assistance, the dedicated ODeX Customer Support Team is ready to help at **ca.support@odexglobal.com**.

Regards,

Hapag-Lloyd Canada INC
