Detention in Male is settled between the feeder operator and consignee. Hapag- Lloyd is not involved in the collection process

Rules for calculating number of days, applicable for liner detention

- a) The discharged date (landing date at MCH) of a container from a vessel (calling from a foreign port) is considered as the first day for counting the free storage days
- b) If cargo cleared within free days, any port holiday that falls in the period of free days (from the discharged date) will be excluded in counting the free storage days.
