Calculation: commences at 00:01 hours the 1st calendar day after pick-up at Hapag Lloyd's designated place of interchange and ends after return of full unit at the designated place of interchange.

** MHO: Relevant for detention calculation is the tariff of the country where equipment has been picked up.

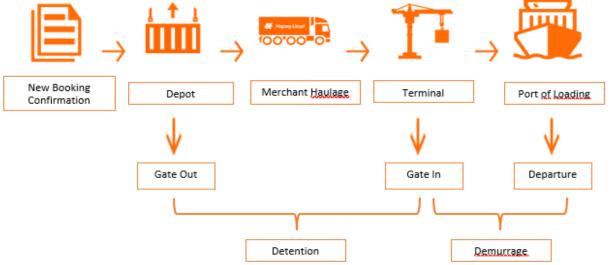

In addition to the Demurrage & Detention tariffs this guideline will help you to understand when the Demurrage and/or Detention occurs.

Demurrage / Detention Merchant Haulage:

Vessel Delays:

Demurrage/ Detention is charged if we announce a booking confirmation with changed ETD minimum 5 working days or earlier prior to container pick-up

Standard Containers include Standard High Cube

Special Containers are Tanks, Reefers, Ventilated, Insulated, Open Top, Hard Top, Bulk, Flats, Platforms

Demurrage – Carrier Haulage:

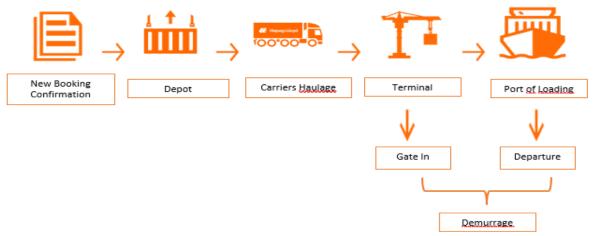

General:

External factors and/or positioning dates set by customer at time of booking may result in demurrage costs, which will be for the account of the cargo.

Vessel Delay

Demurrage is charged if we announce a booking confirmation with changed ETD minimum 6 working days for all Truck or 10 working days for combined transports or earlier prior to container pick-up.

If there is a sailing date change, the customer must modify the positioning date and check if the positioning date leads to demurrage.

Scenario 2: Delivery arranged in Carriers Haulage

Standard Containers include Standard High Cube
