Objectives and legal basis of the data processing

We process your personal data in compliance with the provisions of the DSGVO, the BDSG, the German Stock Corporation Act (AktG) and other relevant legal regulations.

We process your personal data in order to comply with our legal obligation to maintain the share register. The processing is necessary to fulfil our obligation under stock corporation law in accordance with section 67 AktG. The legal basis for processing your personal data is Art. 6 (1) lit. c) DSGVO.

The processing of the above-mentioned access data and device information in web server log files is necessary in order to be able to provide our online service technically as well as for the detection of misuse, troubleshooting and to ensure the smooth execution of the virtual Annual General Meeting. Processing your personal data is necessary for the proper conduct of the virtual General Meeting. If you do not provide us with the necessary personal data or object to the processing, we may not be able to connect you to the virtual Annual General Meeting. The legal basis for these processing operations is Art. 6 (1) lit. c) DSGVO in conjunction with our obligations under stock corporation law pursuant to sections 118 et seq. AktG and, if applicable, in conjunction with section 1 (2) sentence 1 no. 2-4 of the Act on Corporate, Cooperative, Association, Foundation and Residential Property Law to combat the effects of the COVID-19 Pandemic (COVID-19 AuswBekG).

Furthermore, we process data that is transferred to us by you or other parties who are obliged to notify us in the context of voting right notifications in accordance with the Securities Trading Act (Wertpapierhandelsgesetz). In addition, your personal data may also be processed to fulfil other legal obligations, such as regulatory requirements and storage obligations under stock corporation, commercial and tax law. For example, we are obliged to record the power of attorney when you authorise the proxy nominated by us for the virtual General Meeting in a verifiable manner and to keep it for three years in an access-protected manner. In these cases, Art. 6 (1) c) DSGVO forms the relevant legal basis.
