

Specifying the correct barge company name and Barge name on Verified Gross Mass Form “ VGM Form” (Phnom Penh port)

Dear Valued Customers,

Phnom Penh Autonomous Port “PPAP” has informed to all customers that with the continuous increase of the container traffic. They have faced with some congestion and this has affected the connection between barge and the mother vessels in Vietnam. One contributing reason for the congestion is that some customers has put the wrong barge company name on the VGM form, which causes difficulties and delay for the loading process.

In this regard, we would like to ask for your cooperation to put the correct barge company name and barge name (if available) on the VGM form when submitting to PPAP’s team as this will help PPAP to store containers in the container yard (CY) according to the barge company name.

If you should require additional information, please contact our customer service team at your [location](#), who will guide you based on your individual situation.
