Here's a Reminder on Late Verified Gross Mass (VGM) Fee

Dear Valued Customer,

Shipping from China, Hong Kong or Taiwan? Here's a reminder to submit your Verified Gross Mass (VGM) correctly and on time. With your cargo planning in mind, please remember that an accurate and timely submission of your VGM is crucial to avoid cargo clearance issues and extra costs.

Please keep in mind that any additional costs, delays and consequences for late submissions will be borne by the cargo owner. For your reference, please visit our [Tariffs section](#) where you will find the specific charges (LIF, VLS) based on your preference.

Please do not hesitate to contact us for more information.
