This feature permits online access to general Rate of Exchange information as early as 7 days prior to vessel departure or arrival, based on our **Global Rate of Exchange rule** which is in effect since April 1st 2010.

The Rate of Exchange will be displayed for the selected schedule data based on relevant Hapag-Lloyd Tariffs. Please insert either first port of loading or last port of discharge to ensure correct display of data, especially for transshipment business. Import and Export voyages can be distinguished by verifying the Schedule Voyage Number. For viewing Rate of Exchange data history older than 2 weeks, please navigate to **My Shipments** or **Import**. Important note: for usage of this functionality, **Hapag-Lloyd legal terms** apply.
