

NileDutch integration

Voyage Cut-over overview

The following overview shows the last voyage to sail under ND bill of lading (b/l) and the first voyage to sail under HL b/l per service.
All subsequent departures also sail under HL b/l.

Transshipment connections are indicated with arrows:

- ↓ (facing down) indicates ports connected via pre-carriage / pre-feed
- (facing right) indicates ports connected via on-carriage / de-feed

In case of questions contact your established ND or HL contact.
