

Booking

Book smarter,
Book faster.

Our Online Booking tool offers greater flexibility, improved efficiency, and smarter ways to manage your shipments. With a modern design, guided navigation, and real-time validations, you can create bookings faster, reduce errors, and stay in control of every step from booking entry to confirmation.

Your Benefits

24/7 Availability & Instant Status

Access the Online Booking tool anytime, anywhere. Real-time status updates give you full visibility of your booking progress and ensure a faster, more transparent process.

Guided & Transparent Flow

A clear step-by-step navigation with an always-visible summary makes booking simple, intuitive, and easy to handle.

Fewer Errors, Better Control

Structured inputs and smart validations improve data quality, reduce mistakes, and speed up confirmations.

How to create a Booking

1. Register for our Online Business and go to the “booking solution”.
2. Insert your data in each tab of the tool. Click on “Submit” on the “Review & Complete” tab to finalize your booking.
3. Track in “My Bookings” to see real-time status updates and manage your shipments.

Optionally, you can add further services to your booking at any time.
