Hapag-Lloyd Inland Services Top Priority for Top Customers

Hapag-Lloyd Inland always offers you tailor-made solutions for the first and the last mile. To minimize your efforts in optimizing your supply chain, we have developed a new seamless door-to-door product:

Hapag-Lloyd INLAND PRIORITY

- We secure you prioritized precarriage at your origin.
- We ensure you the equipment you need, when you need it.
- We offer you prioritized and fast oncarriage at your destination.

Our Offer - Your Benefits

Prioritized at origin and destination

Your cargo will be loaded and moved fast and efficiently at origin and destination.

Guaranteed Equipment

Your required equipment will be provided as agreed, if booked 14 days in advance of container delivery at customer premises.

More Planning Security

Get your shipment to its destination on time and avoid disruptions in your supply chain.

Fast and Reliable Oncarriage

Your shipment gets prioritized space with our premium inland carriers each step along the way. Your cargo will be transported with a fixed inland transit time and arrives fast and without interruptions at the final doorstep.

Competitive Pricing

If something goes wrong along the way, we offer attractive compensations.

Conditions

We currently offer **Inland Priority** on our Transatlantic trade from Continental Europe to door locations around POD Norfolk and selected rail ramp locations in North America for a surcharge of USD 500. The priority surcharge is applied in addition to regular pre- and oncarriage rates.

Our commitment

If we do not meet the oncarriage transit times as per below table, you will be compensated as follows:

- 100% of the surcharge if one day late
- 125% of the surcharge if two days late
- 150% of the surcharge if three or more days late

Destination Rail Ramp	Inland Transit Time to Door via Ramp* (up to 200 miles from ramp)
Cleveland, Ohio	9 days
Columbus, Ohio	9 days
Cincinnati, Ohio	10 days
Louisville, Kentucky	10 days
Local Truck	3 days

*counted as of discharge of the container from the vessel at the port of discharge
