

Hapag-Lloyd Inland

Fast Corridor

Our Green Option Rail Service

Fast CORRIDOR rail services from PSA Genova Pra' and La Spezia to main North Italy rail ramps

Unlock swift international trade with our Fast Corridor system, enabling seamless goods transfer to foreign countries without the need for a T1 custom transit document. With Fast Corridor, you can conveniently complete the final import custom procedures not at the container terminal of the port of discharge but at the inland logistic ramp, streamlining the entire process.

Our Offer

- Experience increased frequency, expanded coverage, and greater capacity with our Inland rail services
- Access expert guidance and benefit from a high-quality product that is widely appreciated in the market

Your Benefits

- Choose sustainability by reducing your carbon footprint with our eco-friendly option.
- Enjoy additional free time at the rail ramp for added flexibility.
- Access competitive carrier haulage rates, including delivery service to the final warehouse.
- Simplify customs procedures and cut costs with no need for a T1 Custom transit document.
- Unlock a suite of carrier haulage benefits: no detentions, on-wheel charges, drop-off fees, fuel surcharges, or charges for 20' heavy cargo.
- Select the best custom office for your clearance convenience.
- Stay in control with easy tracking of bookings and real-time awareness of upcoming deadlines from anywhere, at any time.
