

Port of Koper

Unlock seamless inland transportation across Europe

Whether you're a logistics partner, shipper, or customer looking for reliable inland solutions, our extensive network is designed to support your needs from port to final destination—with expanded reach now available through Port Koper in Slovenia.

Your Benefits

- **Efficient port-to-door & port-to-ramp coverage:** reach core inland markets via Koper with optimized port-to-ramp and port-to-door solutions tailored to your needs. Our dedicated teams handle pre- and on-carriage shipments across Europe's major hubs.
- **Quick Quotes for instant rates:** get instant inland transportation rates with our Quick Quotes tool, making your planning simple, fast, and transparent.
- **No Pick-Up or Drop-Off fees:** benefit from zero pick-up and drop-off fees, along with minimized demurrage and detention costs, ensuring a streamlined and cost-effective inland journey.
- **Sustainable, tailored solutions:** our multimodal solutions help align your logistics with sustainability goals while providing flexible transportation options throughout Europe from Port Koper.
- **Tailored solutions to meet your supply chain needs:** we integrate multiple transportation modes that align with your sustainability goals.

Our Offer

- **Exclusive real-Time Live Positioning:** track your cargo every step of the way to its final destination. Our exclusive Live Positioning service provides complete visibility, ensuring peace of mind and reliable deliveries.
- **Enhanced Inland Network:** our extensive multimodal network—from rail to truck—expands your reach from Koper, connecting efficiently to key locations across Central and Eastern Europe including Germany, Austria, Switzerland, Czech Republic, Hungary and Slovakia.
