

# BL Draft Approval:

Swift online review.

With our new BL Draft Approval web solution, you can now easily review, edit, and approve your bills of lading or sea waybills in an instant. Our tool provides you with an efficient and time-saving approval process for your BL Drafts.

If you want to request a correction, you no longer need to print, scan, or email your changes. Just click on the submit button, and we will send you a new BL Draft for review and approval shortly.

Reviewing and approving your BL Drafts has never been easier and faster.

## Your Benefits

### Ease Of Use

BL Draft Approval offers you an intuitive way to review and correct your drafts in just a few clicks.

### Time-Saving Process

Benefit from instant review and quick draft correction online.

### High Data Quality

Amending the BL Draft directly in the document ensures the highest degree of accuracy.

## How to use the BL Draft Approval web solution

1. Click on the link in your notification email that leads you straight to your BL Draft on the Hapag-Lloyd web page or directly log into the **BL Draft Approval web solution**.
2. If your BL Draft is correct, you can approve it with just one click. If you need to request a correction, just edit it and submit it back to us. You will receive a new BL Draft shortly.

We will take care of releasing the bill of lading or sea waybill once the vessel has sailed.
