

# Cargo Shield

Shield Your Cargo,  
Protect Your Business.

Protecting your cargo has never been easier. Our **Cargo Shield** solution offers complete transparency, flexibility, and tailored options to meet your needs. Instantly access clear details on protection fees and protection during the Quotation stage or at any stage during your cargo's transport journey without having to consult with your Sales representative.

Our fully integrated online solution enables you to review all three options and pricing models upfront, helping you choose your ideal cargo protection. You also benefit from a streamlined process leading to stress-free claim resolutions with minimal waiting times. Cargo Shield gives you the power to safeguard your shipments with ease, speed, and confidence

## Higher Flexibility

Add Cargo Shield at any given step of the transport journey and see all options at a glance.

## Transparent Pricing & Protection

See all protection and pricing details at once to choose the right cargo protection for your needs.

## Three Tailored Options

Choose between three different protection options to make sure your cargo gets the protection it needs.

## How Cargo Shield Works:

Cargo Shield offers additional protection on top of the standard B/L liability.

We have 3 different offers: Standard, Plus, and Premium.

All variants offer:

- Global coverage, with flexible exclusion of high-risk countries
- Faster settlement on claims and compensation based on purchased protection
- Product Specific terms and conditions
- Protection that includes Fire and Explosion, Stranding, grounding, sinking or capsizing (to name a few). For more details, please read our **Terms and Conditions**
