Price Announcement ex Asia -

Marine Fuel Recovery Surcharges – Update

March 3, 2019

Dear Customer,

With below compilation, we wish to inform you about the latest update on our Marine Fuel Recovery (MFR) table for lanes **ex Asia**.

The MFR is **valid for one direction** and shown as a **separate surcharge** on your **invoice** and **freighted Bill of Lading**.

Please note the MFR charges ex Asia will be adjusted from the current to following revised levels, effective for sailings as of **April 2, 2019** and **valid until further notice**:

| Relation  | DRY <sup>1)</sup> |                  |                  | REEFER           |                  |                  |

1) Including Specials

We will continue to monitor MFR values on a regular basis and all adjustments will be made following the review period with appropriate notice given to the trade. Further information about our [IMO2020 strategy](#) and our new fuel mechanism can be found on our website.

The FAK base rates as well as Security related surcharges, Peak Season surcharges (if applicable) and Terminal Handling Charges (THCs) remain unchanged and can be found [here](#). Other local charges and contingency surcharges may apply.

Please note that all changes that do require a legal 30-day notice are duly filed and announced in the respective Public Tariffs and this document shows some of these changes only.

This document, in no way replaces the application of the Public Tariff.

For further information, please contact your local Hapag-Lloyd office.

Kind regards,

Hapag-Lloyd AG
