

SMART WEB BOOKING

Your Guided Booking Request.

At Hapag-Lloyd, we are aware of the importance of a fast and easy booking process. That's why we are introducing Hapag-Lloyd's Smart Web Booking. It indicates the voyages that are still available for booking requests.

YOUR BENEFITS

Response Time

Swift indication when a vessel has no more open space

Availability

Know which voyages are closed for booking

Certainty

Improved space verification prior to booking request to increase chance of booking request being accepted

HOW TO USE OUR SMART WEB BOOKING

- Go to [Hapag-Lloyd.com](https://www.hapag-lloyd.com)
- If registered already, start immediately with full access to our new Smart Web Booking feature
- If not, click on "Not yet registered" in the Login section, complete registration and click "submit"
- Once registration is done, you have access to our new feature and start placing Web Bookings
- Once you have selected your contract or quotation number, we will show available voyages
- For better experience, please enter the MR you are booking for when entering your contract or quotation number
- Should a voyage be closed, it will still be visible to you – but no new booking requests will be accepted. You may still amend a confirmed booking at usual
- If searching for schedules prior to login verification, you may need to login for further validation
- Booking acceptance depends on final validation, based on terms and conditions of the contract

SMART WEB BOOKING

Your Guided Booking Request.

WHAT YOU SEE IN THE WEB BOOKING

Padlock icon: means you will need to log in to check space availability.

When requesting a booking, please enter the MR you are booking for final verification.

Port of Loading	Transshipments	Vessels / Services	Port of Discharge	Transit Time (days)
