

■ Usage of Microsoft Internet Explorer 8 or lower

April 4, 2016

Dear Customer,

In January 2016 Microsoft has stopped supporting Internet Explorer 8 (IE8) and lower versions. As of May 2016 IE8 and lower will no longer be supported by our website www.hapag-lloyd.com.

To continue to make full use of our website and for a faster, more reliable and secure browsing experience, we encourage you to upgrade to a newer version of Internet Explorer or use another modern browser.

A list of the most popular web browsers can be found below.
