

■ South America - Asia / Loop 2 (AN2) Service – Transit Time Improvement

January 22, 2018

Dear Customer,

We would like to inform you that Hapag-Lloyd will improve transit times as follows:

- from San Antonio, Chile to Busan, Korea from 36 to 30* days
- from San Antonio, Chile to Shanghai, China from 38 to 32* days
(* Estimated transit time)

This is achieved by changing port rotation in Chile as follows:

Current rotation: CLSAI – CLCNL – CLLQN – CLPAG
New Rotation: CLCNL – CLLQN – CLSAI – CLPAG

Vessel affected will be:

- MSC “Renee” 803W, ETS from San Antonio on January 26, 2018

This measure will also improve the transit times to Xiamen and Chiwan ports.

We will keep you informed on further developments in due course.

For further information, please contact your local Hapag-Lloyd office.

Kind regards,

Hapag-Lloyd AG
