Malaysia – Stop Acceptance of Plastic Scrap

September 7, 2018

Dear Customer,

We would like to inform you that with immediate effect, Hapag-Lloyd will no longer accept plastic scrap (HS Code 39.15) imports to Malaysia.

This measure is taken to comply with recent Government Regulation issued by the **Solid Waste Department Authority**.

Accordingly please note:

- **Current Shipments at terminal / on voyage will be released gradually by Authority upon their final approval**
- **No new bookings of plastic scrap may be submitted for acceptance**

For further information, please contact your local Hapag-Lloyd office.

Kind regards,

Hapag-Lloyd AG
