

■ US West coast - Australia / NZ Service (WSN) – Vessel Delay

January 29, 2019

Dear Customer,

We would like to inform you that as a result of delays incurred along the North American west coast, the vessel Melina v906 is now 8 days behind its proforma schedule.

It has therefore been agreed that the vessel will omit the second Sydney call, Tauranga and Oakland in order to return to schedule.

All cargo booked to Oakland and Long beach will be transferred to the ANL Tongala v907N.

Indicative schedule of ANL Tongala v907:

- Tauranga ETD 22-Feb
- Oakland ETA 08-Mar
- Long Beach ETA 17-Mar

All cargo booked to Seattle and Vancouver will be transferred to the Seoul Express v908N.

Indicative schedule of Seoul Express v908:

- Tauranga ETD 01-Mar
- Oakland ETA 15-Mar
- Seattle ETA 19-Mar
- Vancouver ETA 20-Mar
- Long Beach ETA 24-Mar

Please refer to our on-line schedules for the further updates.

Kind Regards,

Hapag-Lloyd (New Zealand) Ltd
