

■ VGM Monitoring via our Website

July 22, 2016

Dear Customer,

We would like to inform you that as a fully registered and approved Hapag-Lloyd Online Business user, you are in the position to view your organizations' VGM submissions sent via any channel including portals. If different access levels exist for your organization, you will only see the submissions your user account is linked to. To access this information, go to the [WebVGM \(My Shipments\) tool](#):

'My Shipments' screen sample for fully registered users:

Booking No.	VGM Cutoff	Customer Reference	Start of Transport, Port of Loading	Vessel Departure	End of Transport, Port of Discharge	VGM Status
