Vietnam - Ban on Waste Paper and Scrap Paper Waste Import

Hapag-Lloyd

January 23, 2019

Dear Customer,

Please be informed that Hapag-Lloyd will ban the import of waste paper and scrap paper to Vietnam with immediate effect. The ports affected are Ho Chi Minh (VNsgn), Vung Tau (VNVUT), Haiphong (VNHPH), Danang (VNDAD) and Qui Nhon (VNUIH).

This is due to the policy of TCIT (Tan Cang-Cai Mep International Terminal) to stop the acceptance waste paper or scrap paper for transit to Binh Duong as final destination. There is now a high volume of undelivered waste paper shipments at the Terminal resulting in congestion at the container yard and delayed vessel operations.

For further information, please contact your local Hapag-Lloyd office

Kind Regards,

Hapag-Lloyd AG
