

\$50,000 instantly available to Hapag-Lloyd clients in good-standing

Exclusive offer for qualified PayCargo clients; subject to credit approval

Instant approvals.

**No personal credit check.
No Hidden Fees.**

PayCargo Finance enables you up to make more strategic choices in how you spend your money.

Our clients utilize PayCargo Finance's line of credit for any sort of ocean and air freight charges including COD, demurrage, per diem, airway bills, and bills of lading.

Not having your own cash tied up with freight charges often provides the breathing room for good decisions to be made; such as investing in new products, hires, and expansion.

50k-\$2.5Million available within the hour

Benefits of PayCargo Credit

- ✓ Faster Recognition of your payment by the Carrier means faster release of your cargo.
- ✓ Increase efficiency by eliminating the process and paper trail of manual check payment.
- ✓ Save resources by reducing the amount of wire transfers, overnight couriers, fax copies of checks and messenger services for cargo release.
- ✓ Manage any disputes/exceptions that may arise directly on our platform.
- ✓ Increase productivity and accuracy through PayCargo's system to automate reconciliation of payments.
- ✓ \$50k to \$2.5 million rolling, 15 or 30 day line of credit, at low fixed interest rate.
