

MGX – your reliable transatlantic service

between the Mediterranean and the Gulf of Mexico

At Hapag-Lloyd we know that schedule reliability is important for your business. We also recognize that potential delays due to e.g. weather, port congestion and other operational issues are an everyday reality in our industry. That is why we have decided to prepare for the next winter season by employing an additional vessel and adjusting our transit times for the MGX service.

Our Offer

- Improved schedule reliability
- Decreased risk of port omissions
- One of the fastest transit times in the market from Europe to Florida
- Weekly sailings directly connecting Italy and Spain to Florida, Mexico and US Gulf
- Call at Caucedo ensures connectivity to our entire Latin America service network
- Hubs in the Mediterranean connect the service to our comprehensive feeder network to and from Eastern Mediterranean, Black Sea, North Africa and the Middle East
- Local expertise with a wide range of Hapag-Lloyd offices

Your Benefit

Increased reliability for your business

Reduced costs due to improved supply chain integrity

- Decreased costs due to fewer delays and fewer port omissions
- Better stock and warehouse management enabling a lower inventory buffer
- One service provider responsible for all your transportation needs

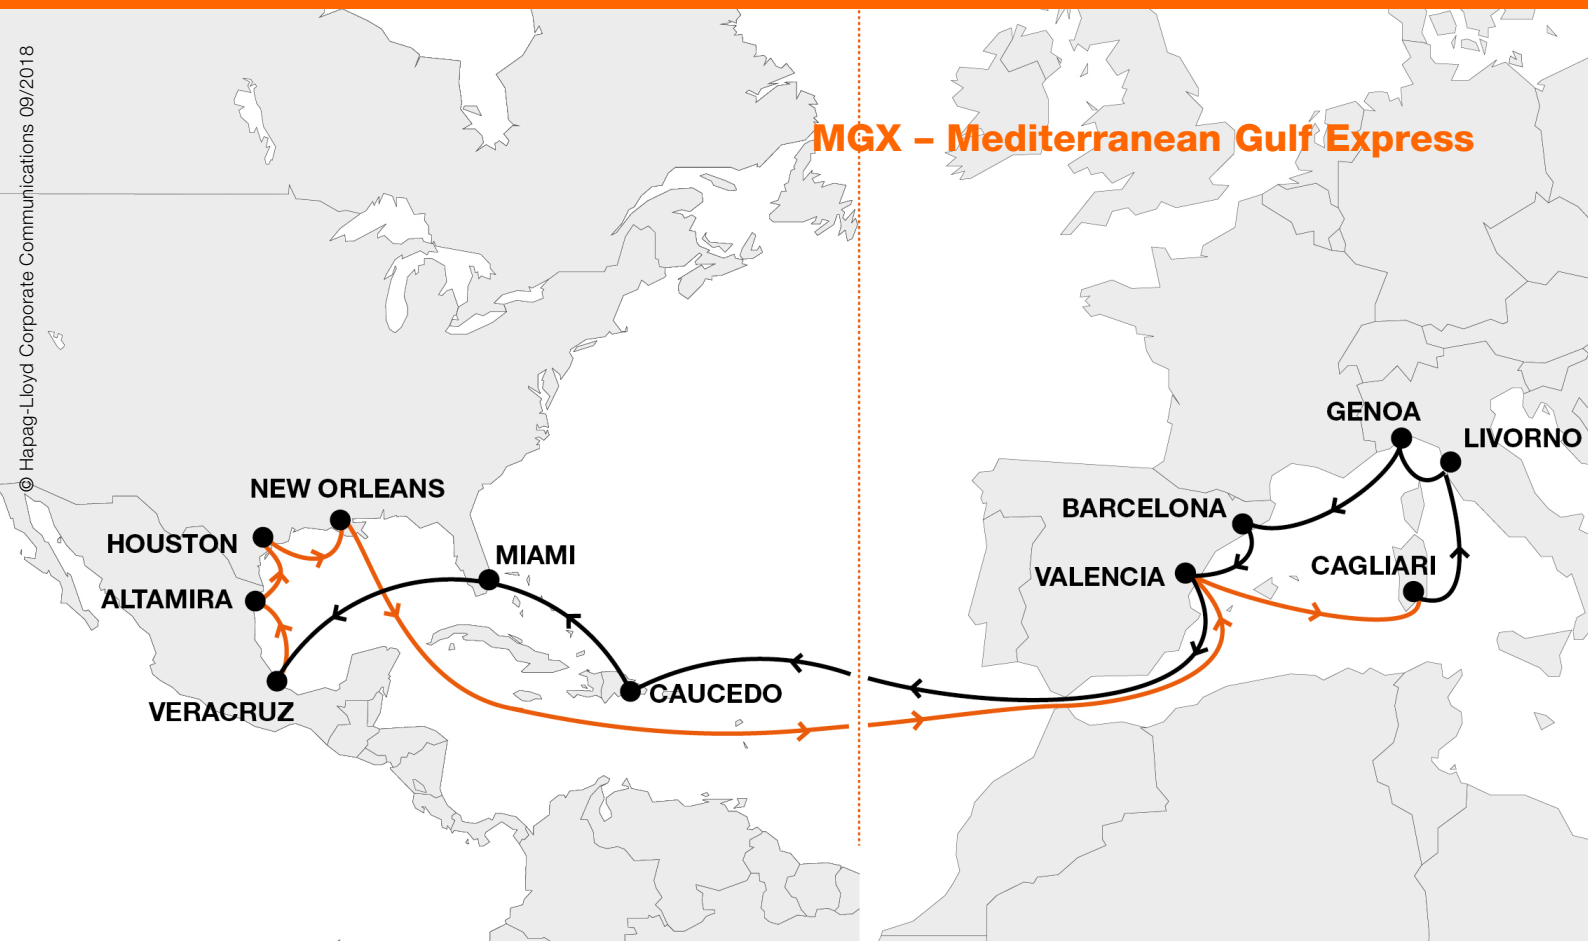

Your cargo is in good hands with Hapag-Lloyd's experienced staff

- Excellent local customer service representation
- System supported and globally implemented processes ensure that your cargo is getting the special attention it needs
