

The payment terms in Sri Lanka are changing. Here's what you need to know

Dear Customers,

Here's an update for import shipments to Sri Lanka.

From June 8, 2022, all bookings placed for import shipments to Sri Lanka will be accepted on prepaid terms for freight and destination terminal handling charges. As a general guideline, our standard process also dictates that prepaid charges will be invoiced to the origin customer and booking party of record.

If you should require additional information, please contact our customer service team at your [location](#), who will guide you based on your individual situation.

Best regards,

Maria-Fernanda
