

Import Overview

Your Imports,
in One View.

Hapag Lloyd's [Import Overview](#) gives you access to a centralized view of all your incoming shipments. Keep track of important details about your imports such as the ETA's, end-locations and more using one single online tool. You can use different filters to focus on specific shipments and obtain details on the stage your import shipment is at, the status of documents, processes and check if actions are needed from your side to complete the shipments journey with Hapag-Lloyd.

Your Benefits

Import Stage Visibility

Visibility on different stages of your import journey, including document status and availability.

Centralized Overview

All your import shipments and corresponding statuses in one place.

Stay Informed

See the latest data and act ahead to avoid unnecessary delays.

Simple, intuitive import tracking

See each stage of your import process in a checklist-style format, including the status of different processes and documents. Providing the insights you need to plan and manage your import journey with ease. This includes details on:

- Bill of Lading
- Arrival Notice
- Customs Status
- Container Release Information
- Letter of Authority
- On-Carriage Instructions
- D&D Invoice
- Collect Invoice
