Interactive Schedule 3

HIDE

To obtain your schedule, simply insert (type ahead) your start location, end location and the required time range. By default, the transport is preset to apply from / to carrier's corresponding container terminal or ramp.

Alternatively, you may select 'Received at your door' and insert your desired location / inland point. If required, up to two via locations can be specified in addition. For a map-illustration of our service routes, you may also like to use our [Interactive Service Finder](#).

The displayed results show a selection of our sailing options, based on the search criteria. In case a specific anticipated sailing is not displayed, kindly contact your local Customer Service Booking representative for verification.

While we do our best to keep the content up-to-date, Hapag-Lloyd shall not be liable for damages caused by data shown on this website. For further details please see our [legal terms](#) on the use of the Hapag-Lloyd website.

Further schedule options can easily be obtained with our [Schedule Fax/Email Request](#) which supports instant despatch of your defined service report directly to your email address as noted in your [User Account](#).

Your preferred sailing might not be shown on our website due to an ongoing **Phase In/Phase Out Program on the North Europe to South America West Coast/Central America Trade**. In such a case please contact your local HL booking office and we will find a solution fitting your needs.
