

Lomé – Togo

New weekly connections

Looking for efficient and reliable transport solutions? Our enhanced West Africa Express (WAX) service now offers direct connections to Lomé Port in Togo, covering key countries in the hinterland, including Burkina Faso, Niger, and Mali, with seamless, flexible, and transparent shipping options.

What's in it for you?

- **Reliable weekly service:** direct vessel calls to Lomé Port covering your import & export shipments.
- **Seamless empty management:** return empty containers or pick up new ones at Togo Terminal, making your shipping experience even more efficient.
- **Instant pricing & easy booking:** with **Quick Quotes** and **Quick Quotes Spot**, you get instant rates and can book your transport in just a few clicks – quick and transparent.
- **Track your shipments in real-time:** gain full visibility every step of the way with our **Live Position** product, so you can monitor your cargo with confidence and ease.
- **Comprehensive dashboard:** access all bookings, documents, and tracking in one place with **Navigator 2.0**.
