

Here's an update on Security Deposit Cheques in Iraq

It is our constant quest to deliver the best of services to our valued customers and enhance 'ease-of-doing-business' with Hapag-Lloyd and therefore **effective September 4, 2022**. We will discontinue the requirement of placing a Security Deposit Cheque for issuance of Import Delivery Documents (DOs) in Iraq. This applies only to all those containers for which destuffing will happen inside the terminal.

Customers will be required to contact local office in case the validity of delivery order expires, to seek extension after payment of valid/applicable charges. For containers which are gated-out of the terminal for destuffing, payment of security deposit will be required as per prevailing process.

If you should require additional information, please contact our customer service team at your location, who will guide you based on your individual situation.
