

Quick Quotes Spot Terms & Conditions

Quick Quotes Spot is currently only offered on certain trades and for certain types of containers: 20ft standard shipping containers, 40ft standard shipping containers, and 40ft standard high cube shipping containers. The following container types are excluded: shipper-owned containers, reefers (operated or non-operated), and Special Equipment (In Gauge or Out of Gauge). Quick Quotes Spot is not available for FMC related shipments, Dangerous Goods nor for cargo with Special Handling such as but not limited to Flexitank, Hides – Wet, Blue, Metal Scrap, Logs/Timber, Military Cargo, Foodgrade, Active Carbon, Carbon Black, Charcoal. Pre-carriage inland transportation in carrier's haulage cannot be combined with this product. Booking Party may at the time of booking combine this product with an on-carriage inland transportation in carrier's haulage, where inland service rates and charges will apply as per Carrier's Governing Tariff effective at the time of shipment.

Quick Quotes Spot Shipments are subject to the terms and conditions of the Carrier's Bill of Lading and the terms of the Carrier's Governing Tariff (including conditions for Freetime and the purchasing of Additional Freetime), the Rate Confirmation and Booking Confirmation as amended and supplemented by the following additional terms and conditions, which are accepted by the Booking Party:

1. **Booking Party Commitment:** The Booking Party guarantees the booked containers will be provided on time as stated in the Booking Confirmation, meeting all relevant cut-off times and other applicable requirements. This means the Booking Party needs to ensure that the cargo is ready to be loaded by the relevant cut-off time, including but not limited to having performed all activities related to customs as well as sanitary checks or other regular activities required to load the cargo.
2. **Carrier Commitment:**
 - a) Carrier shall make available the equipment on the date and at location specified in the Booking Confirmation; and
 - b) Carrier guarantees, that the Quick Quotes Spot Shipment container will be loaded on the intended vessel as confirmed in the Booking Confirmation and that it will not be rolled to another seagoing voyage at the Port of Loading nor in a subsequent transshipment port. In the case of feeder voyages at destination, the Carrier guarantees to load the container on the next available vessel after arrival at the transshipment port. Carrier is relieved of the aforementioned commitments when rollings are due to reasons out of the control of the Carrier or in case of Force Majeure. In case the shipment combines ocean carriage with inland on carriage, Carrier commits to make reasonable efforts and to give the QQSpot Shipment priority, for the provision of inland services. Carrier's haulage is however subject to availability and not guaranteed; Carrier may cancel the inland portion, without further liability.
3. All dates and times in the Booking Confirmation for a Quick Quotes Spot Shipment are given as best reasonable estimates and are subject to changes.
4. In case the Booking Party cancels part of the containers related to the shipment or cancels the entire shipment with more than 10 days in advance of the estimated time of departure, a Cancellation Fee will apply in the amount of USD \$1000 per container.
5. In case the Booking Party cancels part of the containers related to the shipment or cancels the entire shipment within the 10 days prior to the estimated time of departure or, does not meet any cut-off times (inclusive providing the correct Verified Gross Mass (VGM) in time), or the shipping instruction and/or cargo tendered differs or is not fully consistent with the booking confirmation, a No-Show Fee will apply in the amount of USD \$1200 per container.
Notwithstanding the aforementioned, if the cargo is anyhow tendered by the Merchant, the commitment under Section 2b) above becomes null and void and the Carrier may carry the cargo

at its option, at the freight and surcharges set forth in the Rate Confirmation, plus charges as per the applicable Governing Tariff at time of shipment and any surcharges as per the applicable Governing Tariff as a direct consequence of the inconsistency between shipping instruction and Booking Confirmation such as but not limited to HLC, VGM, FIO.

6. In case the Booking Party cancels part of the containers related to the shipment or cancels the entire shipment as a direct consequence of a vessel delay of more than 10 days compared to the ETD stated in the first Booking Confirmation, no Cancellation Fee will be charged.
7. For the avoidance of doubt in case the Booking Party does not meet the relevant cut-off time for certain containers in a shipment, the Booking Party will only be requested to pay the relevant No-Show Fee for those containers.
8. The Booking Party, on the other hand, is entitled to a compensation in the amount of USD \$1000 per impacted container of a Quick Quotes Spot Shipment (hereinafter "Compensation"), in any of the following situations:
 - a) In case the Carrier does not provide the guaranteed equipment on the date and location specified in the Booking Confirmation due to reasons within the control of the Carrier; and/or
 - b) In case the container is rolled to another seagoing voyage at any port of loading or in a subsequent transshipment port, if any, due to reasons within the control of the Carrier or where in the case of a feeder voyage at destination, the cargo is not loaded on the next available vessel after arrival at the transshipment port.
 - c) In case of a delay of more than 10 days in the vessel's departure compared to the original ETD stated in the first Booking Confirmation.
 - Subsequent or multiple rollings of a container will not increase the Compensation. The Booking Party is entitled to receive the Compensation only once per impacted container per Quick Quotes Spot Shipment.
 - If the container is however transported on an alternative sailing within 2 days before or after the roll, no Compensation will become due.
 - Notwithstanding the Compensation, Carrier will however make reasonable efforts to load the rolled container in the subsequent available sailing on the same liner service.
 - Booking Party is not entitled to a Compensation in case Carrier cancels any inland on-carriage services booked for a Quick Quotes Spot Shipment.
9. The Parties agree that the Cancellation Fee and No Show Fee set forth in Sections 4 and 5 above, and the Compensation set forth in 6 above, will be each affected party's sole remedy for the other party's failure to comply with its commitments under this agreement and in lieu of any other damages that could arise as a consequence of such failure.
10. The amount of Compensation will be set off against any sums due and payable by the Booking Party in connection with the confirmed Quick Quotes Spot Shipment. In case, the shipment has been cancelled prior to the departure date due to the Carrier failure to deliver its commitment, no Cancellation nor No-Show fee will apply and the Compensation can be credited for future shipments, or invoiced by customer and paid to Carrier.

If the Carrier fails to comply with its commitment due to a port omission decided for reasons out of the control of the Carrier, then the Booking Party will not be entitled to the Compensation. Port omission means the cancellation of a scheduled vessel port call.
11. In case of cargo roll by HL, the freight and surcharges set forth in the Rate Confirmation remain unchanged for the subsequent vessel.
12. No changes to the Confirmed Booking as per Booking Confirmation are allowed (with the exception of Soft Amendments), including but not limited to changes to the port of loading, port of discharge, place of final delivery and/or the voyage before loading; adding or cancelling inland on-carriage,

changes of container type or increase in number of containers; retroactive booking adjustments, and changes to rates set forth in the Rate Confirmation. Confirmed bookings cannot be combined or merged for documentation purposes

Soft Amendments allowed to the Confirmed Booking are as follows: Change of customer reference, change of cargo description, change of container pick-up location, weight change up to +/- 3 TON (to the extent the change does not trigger a Heavy Lift Surcharge different from the one set forth in the Rate Confirmation and subject to the tonnage limit as per standard rules). Soft Amendments are allowed once per Confirmed Booking.

A change of the container pick-up location is acceptable, but the Equipment availability is guaranteed at the locations (depots) listed at end of this document, only. If the Booking Party requests to change for a pick-up location not included in the list, the Carrier will make reasonable efforts to provide the Equipment; in case of non-availability, the Booking Party will not be entitled to the Compensation and the fees set forth in Sections 4 and 5 above, shall apply.

13. Payment of freight and charges is subject to payment terms as per Carrier's Governing Tariff unless otherwise agreed with payer.
14. The Booking Party agrees and accepts that it will be deemed a "Merchant", as defined in the applicable Bill of Lading or Sea Waybill Terms and Conditions of the Carrier. As such, that it will be jointly and severally liable to the Carrier for all the obligations and liabilities in regards to the Quick Quotes Spot Shipment as set forth in the relevant Bill of Lading or Sea Waybill, or as required by law. Any subsequent nomination of a Shipper or other party in relation to the Quick Quotes Spot Shipment shall be subject to discretionary acceptance of Hapag-Lloyd. When nominating a Shipper or other party in relation to a Quick Quotes Spot Shipment the Booking Party warrants that it has authority to legally bind the nominated Shipper or other party in relation to the shipment. Should that not be the case, the Booking Party will assume full liability and shall indemnify Hapag-Lloyd for any and all losses suffered or costs incurred as a consequence of the absence of such authority.
15. Merchant shall comply with all regulations or requirements of customs, ports and/or other authorities, applicable to the Quick Quotes Spot Shipment. In particular, if the Quick Quotes Spot Shipment refers to the provision of the ocean transportation services between the United States of America and a foreign country, for the account of an NVOCC, then the Booking Party further certifies that all applicable regulatory requirements have been complied by such NVOCC, such as tariff(s) and financial surety as required by the U.S. Shipping Act of 1984. Merchant shall indemnify Carrier against all claims, losses, damages, expenses, fines, costs and attorneys' fees, arising or resulting from any breach of these obligations and warranties. Carrier may, at any time, reject or cancel a booking that does not comply with any applicable laws, regulations or requirements from authorities, including but not limited to those in reference to embargo and sanctions or is not in line with these terms and conditions.
16. The Rate Confirmation does not serve as a quotation and cannot be used by the Booking Party to place further bookings.
17. QQ Spot price (Ocean Freight) is inclusive of the Shipping Guarantee Fee (SGF) for the cargo sailing from China and impacted by the SSE regulation.
18. Merchant shall be subject to any rule in the Governing Tariff(s) establishing a charge relating to any extraordinary circumstances or charges arising or taking effect subsequent to the effective date of the "Quick Quotes Spot Offer" such as but not limited to strike, lockout, work stoppage, or any other labor unrest; congestion; security requirements or costs; taxes, fees or charges levied by any federal, state or local governmental entity.
19. Force Majeure. In the event of force majeure circumstances, including work stoppages, strikes, accidents, casualties, lockouts, fire, road, marine or rail disasters, epidemic, pandemic, acts of God, acts of terrorism or piracy, governmental restraints, war or hostilities, embargoes or other similar

conditions, but not commercial contingencies (e.g., changing markets, poor management decisions, business declines, bankruptcy of a customer or of a supplier, etc.), the Booking Party or Carrier shall notify the other party in writing within ten (10) working days of the existence of such circumstances and of the effect on its ability to perform its obligations hereunder. In case of such notice of force majeure conditions, the party affected by the force majeure event shall be excused from its obligations under Quick Quotes Spot to the extent of and for the duration of the disability. Upon cessation of force majeure circumstances, the Quick Quote Spot obligations shall be reinstated.
