

Mainland China Golden Week 2026, South China Free Storage Period policy

Last Update: September 22, 2026

The Golden Week of 2026 in Mainland China is approaching. With your cargo planning in mind and the support from terminals, we are pleased to inform you that the Free Storage Period will be extended for the following locations.

Location	Vessel ATA Date	Additional Free Storage (STO) Period
Yantian	October 1, 2026	0 days
	October 2, 2026	1 days
	October 3, 2026	2 days
	October 4, 2026	3 days
	October 5, 2026	3 days
	October 6, 2026	3 days
	October 7, 2026	2 days
	October 8, 2026	1 days
	October 9, 2026	0 days

Notes:

Additional Free Storage Period (STO) will be calculated over ATA (actual time of arrival) of actual/final loaded vessel.

Export Cargo: Applicable for dry cargo.

Import/Transshipment Cargo: No additional free storage.

Not applicable for Reefers, Specials, and all DG classes.

Shekou/Hongkong/Xiamen no additional FSP offer

What does this mean for your booking?

- If vessel **actual** time of arrival at Yantian Port is on October 2, 2026, the Free Storage of Export Cargo will be 6 days, which is an additional 1 days of Free Storage on the basis of the tariff.

Calculation rule with no change: Commences from container gated in full to the designated terminal to **actual** vessel CY cut off.

To aid your cargo planning, use our **vessel tracker** to view our vessels' latest Estimated Times of Arrival and Departure. For further assistance, contact our local customer service team. Alternatively, email China@service.hlaq.com for more details.
