		<p>CBP: Due to spread of COVID-19, all maritime crew will be remanded to their vessels until further notice.</p> <p>CBP will work with carriers on a case-by-case basis on temporary shore leave requests for such reasons as but not limited to humanitarian, shore side business critical to the safe operation of the vessel, legal, medical, etc. At this time, crew sign-offs (D-2) will still be reviewed and granted if the crewmember has direct and continuous travel out of the United States, the crewmember is not exhibiting symptoms of COVID-19, the crewmember has valid travel documents, and there is no other restriction on the crewmember's travel.</p>	

Other Restrictions				<p>It is the position of the USCG and USCBP that if a vessel is classified high-risk for reasons such as its Ports of Call or Crew Change where crew travelled to/from a high risk country, the USCG will issue a 'Safety COTP order' restricting any shore leave for the ship's crew, and USCBP (immigration) will not board the ship to process the crew face to face control, instead they will issue a CBP form I-259 requiring detention of all crew onboard. This will also mean that crew will not be permitted to sign off in New York. In view of the above, NLI will also be guided by their decision and will not board any vessel that is subject to the 'Safety COTP order'. NLI will work out details regarding transfer of all necessary paperwork and documents for government formalities with the Captain, as well as all other requirements to ensure the safe and efficient turnaround of the vessel.</p> <p><a href="https://www.dco.uscg.mil/Portals/9/DCO%20Documents/5p/MSIB/2020/MSIB-06-20_Reporting-Requirements.pdf?ver=2020-03-13-092336-483">https://www.dco.uscg.mil/Portals/9/DCO%20Documents/5p/MSIB/2020/MSIB-06-20_Reporting-Requirements.pdf?ver=2020-03-13-092336-483</a></p> <p><a href="#">USCG MSIB 07-20: Novel Coronavirus – Port and Facility Operations</a></p> <p><a href="https://www.dco.uscg.mil/Portals/9/DCO%20Documents/5p/MSIB/2020/MSIB-08-20_Novel-Coronavirus-Mariner-Credentials.pdf">https://www.dco.uscg.mil/Portals/9/DCO%20Documents/5p/MSIB/2020/MSIB-08-20_Novel-Coronavirus-Mariner-Credentials.pdf</a></p> <p><a href="#">MSIB 09/20 - Novel Coronavirus - Vessel Inspections, Exams, and Documentation</a></p> <p><a href="#">Marine Safety Bulletin</a></p> <p><a href="https://www.dco.uscg.mil/Portals/9/NMC/pdfs/announcements/2020/COVID19_13MAR2020.pdf">https://www.dco.uscg.mil/Portals/9/NMC/pdfs/announcements/2020/COVID19_13MAR2020.pdf</a></p> <p><a href="#">Change 1 to Marine Safety Information Bulletin (MSIB) 02-21</a></p>
