

## Shipping into India? The import factory destuffing indemnity bond is being discontinued

Dear Maria Fernanda,

If you're shipping into India, here's an update for your cargo planning. From July 1, 2023, we are happy to announce that we will discontinue the Factory Destuffing Indemnity Bond requirement for taking containers from the yard to your factory for de-stuffing in India. With this change we are aiming at ensuring a smoother process for your cargo delivery, saving paper, and reducing the cost of stamp paper.

The above does not mean that we will be changing the process that you are familiar with. Therefore, you can continue placing requests for your Delivery Orders with remaining terms and conditions..

Should you require any clarification, please feel free to reach out to our team at [india@service.hlag.com](mailto:india@service.hlag.com)

Best regards,
