

Welcome on board our **Cherry Express Service**

We know that cherries are a sensitive and valuable commodity with a short season. They require a high level of expertise to transport and top quality equipment. Our Chile – Asia AN1 Cherry Express Service is designed for you: with a tailor-made express service, 24/7 support, and a modern reefer fleet, we make sure that your cherries arrive fresh at their destination.

What is new in the season? Our special focus on increasing the reach of your cherries with additional vessel calls. You have an added benefit of three cherry extra loaders completely designed to support your demand.

Our Offer

- One of the largest reefer carriers on the market with more than 140,000 reefer containers.
- System-supported and globally implemented reefer cargo processes ensure that your cherries get the special attention they deserve.
- A young container fleet and continuous investments in reefer equipment and technology.
- Strong focus on reefer fleet steering to ensure our equipment is where and when you need it.
- Weekly vessel calls from Valparaiso plus three extra loaders especially selected for this season.
- Direct calls to Nansha with two of the extra loaders.

Your Benefits

- Plan: Start your cherry season with us from week 46 and enjoy a special extension to week 52.
- Connect: A 22-day direct service between Valparaiso and Hong Kong, plus a comprehensive feeder network for flexible delivery of your cherries to other destinations in Asia via Hong Kong.
- Trust: 24/7 support from our global network of reefer experts who are ready to assist you at origin and destination with in-depth knowledge and expertise in handling cherries.
- Ship: with our weekly Chile – Asia AN1 Cherry Express Service from Valparaiso. In addition, enjoy the benefits of three extra loader sailings designed for this special season.

We are looking forward to the 2021 Cherry Season! Get in touch with us. Please contact our offices for more details on terms and conditions.
