

SAFETY is a choice

SAFETY is a choice

50 years ago, Hapag-Lloyd was one of the first liner shipping companies to set up a dedicated dangerous goods department. Today Hapag-Lloyd carefully approves all declared Dangerous Goods shipments, reviews shipment feasibility and performs thorough compliance checks. Our experience, combined with experts around the globe, makes Hapag-Lloyd one of the most reliable Dangerous Goods specialists for your cargo.

Our Offer

- One of the first liner shipping companies to set up a dedicated dangerous goods department
- A global network of regional Dangerous Goods experts make sure your cargo gets the special attention it needs
- An excellent IT-setup developed for smooth processing of dangerous goods shipments
- Our outstanding “Cargo Patrol” software provides an extra layer of security by automatically identifying undeclared or suspicious bookings
- Standardised global processes and strict internal guidelines that in some cases go beyond legal requirements
- Comprehensive global service network

Your Benefit

- Get comprehensive advice from Dangerous Goods experts
- Additional layer of security ensured by Hapag-Lloyd’s internal regulations with multiple safety checks on land and at sea
- Receive an educated response as to whether a dangerous goods shipment is feasible
- Smooth and efficient shipment handling
- Hapag-Lloyd will make sure your Dangerous Goods shipment arrives safely at its destination
