### Disclaimer

Thank you for downloading this document.

The following is an overview of the local charges that have changed in connection with the December 1, 2022 announcement. This overview is not a full list of our charges. Please use this overview as a guide, but always check the [tariff section](#) in our website for the latest information.

We know that our regional scopes might differ from the ones that you might be used to working with. Therefore, under each updates' table, we have included the countries included in each region.
