

# We move – Your fresh grapes around the world

Express services, 24/7 support from our sales force, modern reefer fleet: with Hapag-Lloyd, your grapes arrive fresh at their destination. Grapes are a sensitive and valuable commodity. From the Early Sweet Harvest, and all the way to the table, they require a high level of expertise to transport and the best equipment quality. Therefore, our top priority is to provide you with best-class service.

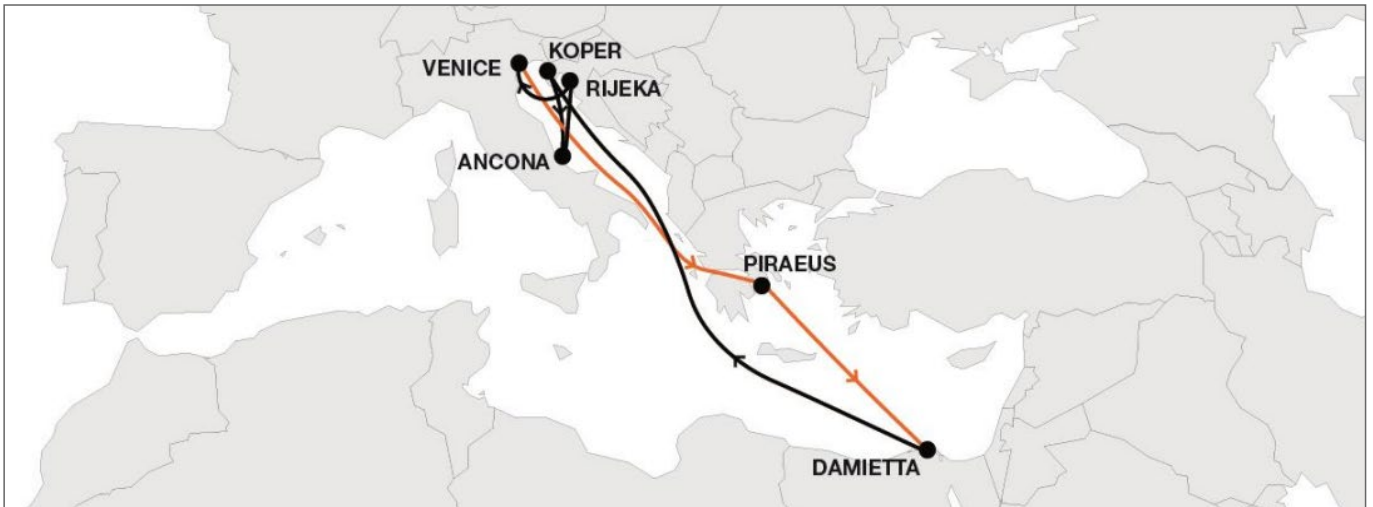

That is why we rise to the challenge of safeguarding the quality of your grapes and can ensure that your cargo is kept in its optimal condition, no matter where or when. Our service, expertise, top-quality equipment, and our “human touch” are at your disposal to make this grape season a success.
