

Dear Valued Customer,

Here is the latest update to the recent events that have impacted transportation into and out of Vancouver:

Rail and road operations servicing the Port of Vancouver remain impacted by recent flooding/washout.

Significant precipitation continues to fall on Southwestern B.C. As a result, some closures have occurred on restored rail and road infrastructure.

Roads:

Highway 1: Closed.

Highway 99: Closed.

Highway 3: Open for essential travel only.

Highway 7: Open for essential travel only.

Highway 5: Closed (long term).

Rail:

-CN mainline washout over the weekend. Line clear date: TBA.

-A CP rail link to/from Vancouver remains open since November 23.

-Service expectations: In recovery. Train fluidity to improve over the next number of weeks.

CP Rail:

-LACHINE (Montreal): No exports accepted to Port of Vancouver.

-VAUGHAN (Toronto) (in effect until 12/02 23:59): Dry exports accepted to Port of Montreal and GCT Vancouver (no reefers).

-All other CP Ramps: Dry exports accepted (no reefers).

CN Rail:

-US Ramps: Accepting dry export traffic (no reefers).

-Canadian Ramps: Limited capacity accepted for export loads (no reefers).

Port of Vancouver:

Vessel delays, increased yard congestion and heightened anchorage demand continues.

Full recovery expected to take a number of weeks.

THEA Vessels at anchor, or, drifting (berth availability is TBA):

-PN2; Navios Unison V08, ONE Arcadia V58.

-PN3; Seaspan Beacon V02, Seaspan Yangtze V18

-PN4; Czech V104, Hyundai Brave V97.

THEA vessels at Berth:
