This is an extract of the Rules and Conditions of the official Hapag-Lloyd Inland Tariff HPGC-015, under which Hapag-Lloyd performs inland transportation in Europe.

This file contains the pick up and drop off charges for depots in Europe.

These information are subject to final confirmation and have to be checked with your nearest Hapag-Lloyd office for pick-up and drop-off feasibility in order to ensure smooth transportation

All information subject to equipment availability. Information provided is valid for Hapag-Lloyd own and longterm lease boxes only irrespective of prefix

All information subject to equipment availability. Information provided is valid for Hapag-Lloyd own and longterm lease boxes only irrespective of prefix

Valid From: 1-Jan-25
Valid To: until further notice

Pick Up and Drop Off conditions are subject to equipment availability, logistical constraints and only after final confirmation of responsible Customer Service.

For further information please contact your respective Sales office.

Remarks

In case a container is returned to a different depot than originally agreed with Customer Service Import department customer will be charged with 110 EUR per TEU (RHD-charge).

Redelivery Charge will be payable by the cargo interest arranging the merchant haulage and redelivery at the inland location. Billing will take place following the date of the equipment return to the carrier.

If an agreed pick-up or drop-off activity in a depot applies which is not mentioned on the above list, the pick-up and drop-off charge of the geographically nearest depot will be invoiced.
