Veghel/Cuijk	€130	€185	Veghel/Cuijk		€140	€195

- We connect our deep-sea services to an inland terminal near your premises by multiple sailings per week to / from the mentioned inland CY's via Rotterdam.
- Our teams are available to provide you with the intermodal solutions best suited to meet your specific requirements, organizing pick-up and delivery of cargo, minimizing delays whilst optimizing safe and secure transport conditions.
- Improving the consistency of your supply chain by reducing irregularities caused by traffic delays.
- Highlight the one stop shop for ocean and inland services, hence one point of contact and improved booking and documentation process.
- Rates are excluding IMO surcharge / customs documents and/or clearance.
- Rates are subject to equipment availability.
- Rates are valid until 30 September 2022
- Rates are inclusive fuel
- Besides CY we can also offer you interesting door deliveries.
- For more information please contact your local sales representative.

- We connect our deep-sea services to an inland terminal near your premises by multiple sailings per week to / from the mentioned inland CY's via Antwerp.
- Our teams are available to provide you with the intermodal solutions best suited to meet your specific requirements, organizing pick-up and delivery of cargo, minimizing delays whilst optimizing safe and secure transport conditions.
- Improving the consistency of your supply chain by reducing irregularities caused by traffic delays.
- Highlight the one stop shop for ocean and inland services, hence one point of contact and improved booking and documentation process.
- Rates are excluding IMO surcharge / customs documents and/or clearance.
- Rates are subject to equipment availability.
- Rates are inclusive fuel
- Rates are valid until 30 September 2022
- Besides CY we can also offer you interesting door deliveries.
- For more information please contact your local sales representative.
- Subject to congestion and high or low water surcharge
