This is an extract of the Rules and Conditions of the official Hapag-Lloyd Inland Tariff HPGC-015, under which Hapag-Lloyd performs inland transportation in Europe.

This file contains the pick up and drop off charges for depots in Europe.

These information are subject to final confirmation and have to be checked with your nearest Hapag-Lloyd office for pick-up and drop-off feasibility in order to ensure smooth transportation

All information subject to equipment availability. Information provided is valid for Hapag-Lloyd own and longterm lease boxes only irrespective of prefix

Valid From: 1-Oct-21
Valid To: until further notice

Pick Up and Drop Off conditions are subject to equipment availability, logistical constrains and only after final confirmation of responsible Customer Service.

For further information please contact your respective Sales office.

- We connect our deep-sea services to an inland terminal near your premises by multiple sailings per week to / from the mentioned inland CY's via Antwerp.
- Our teams are available to provide you with the intermodal solutions best suited to meet your specific requirements, organizing pick-up and delivery of cargo, minimizing delays whilst optimizing safe and secure transport conditions.
- Improving the consistency of your supply chain by reducing irregularities caused by traffic delays.
- Highlight the one stop shop for ocean and inland services, hence one point of contact and improved booking and documentation process.
- Rates are excluding IMO surcharge / customs documents and/or clearance.
- Rates are subject to equipment availability.
- Rates are inclusive 2,5 percent fuel
- Rates are valid until 30 September 2021.
- Besides CY we can also offer you interesting door deliveries.
- For more information please contact your local sales representative.
- Subject to congestion and high or low water surcharge

- We connect our deep-sea services to an inland terminal near your premises by multiple sailings per week to / from the mentioned inland CY's via Rotterdam.
- Our teams are available to provide you with the intermodal solutions best suited to meet your specific requirements, organizing pick-up and delivery of cargo, minimizing delays whilst optimizing safe and secure transport conditions.
- Improving the consistency of your supply chain by reducing irregularities caused by traffic delays.
- Highlight the one stop shop for ocean and inland services, hence one point of contact and improved booking and documentation process.
- Rates are excluding IMO surcharge / customs documents and/or clearance.
- Rates are subject to equipment availability.
- Rates are valid until 30 September 2021
- Rates are inclusive 2,5 percent fuel
- Besides CY we can also offer you interesting door deliveries.
- For more information please contact your local sales representative.
- Subject congestion and high or low water surcharge
